

Coronavirus (COVID-19)

Business Resource Guide

July 1, 2020

During these very difficult times, we understand there is a significant amount of information to digest concerning the COVID-19 Pandemic. Much of this information is regarding financial programs which are available to businesses to assist them through this unprecedented crisis. To support you as a valued member of our business community, we wanted to share a document summarizing the Federal, State and other financial assistance programs we are aware of to date. This list is not intended to be all-inclusive, but instead a guide to help you seek financial assistance through this difficult period. We will send periodic updates to this Resource Guide.

Uniland understands your success is our success and want to ensure we all come out of this period stronger than ever.

Thank You and Stay Safe,
Your Uniland Family

Federal Assistance

- 1. CARES BILL (HR748) – This is the Phase 3 Coronavirus Relief Bill signed into law by President Trump on 3/27/2020, which include the \$2.2 Trillion stimulus package.**

- a. SBA - Economic Injury Disaster Loan**

The U.S. Small Business Administration (SBA) is offering low-interest federal disaster loans for working capital to small businesses suffering substantial economic injury as a result of the coronavirus (COVID-19) throughout New York State. Available to small businesses, small agricultural cooperatives, small aquaculture businesses and most private non-profit organizations. The Economic Injury Disaster Loan program provides small businesses with working capital loans of up to \$2 million to assist with overcoming temporary loss of revenue due to COVID-19.

2. Federal Reserve - Main Street Business Lending Program

The Federal Reserve has announced that it is establishing the Main Street Lending Program to support lending to small and medium-sized businesses that were in good financial standing before the onset of the COVID-19 pandemic. The Federal Reserve will purchase loans that banks provide to small and mid-sized businesses. To be eligible, a company must employ less than 15,000 people or have annual revenue of less than \$5 billion. The program will operate through three loans: Main Street New Loan Facility (MSNLF), Main Street Expanded Loan Facility (MSELF) and Main Street Priority Loan Facility (MSPLF).

For qualifying businesses, the process is the same as with the PPP by going through partnering banks to either take out new Main Street loans or receive increases to existing loans. Business must commit to make reasonable efforts to maintain staff and payroll. See links below for additional information.

3. Tax Day is now July 15th

The Treasury Department and Internal Revenue Service announced today that the federal income tax filing due date is automatically extended from April 15, 2020, to July 15, 2020.

Taxpayers can also defer federal income tax payments due on April 15, 2020, to July 15, 2020, without penalties and interest, regardless of the amount owed. This deferment applies to all taxpayers, including individuals, trusts and estates, corporations and other non-corporate tax filers as well as those who pay self-employment tax.

Taxpayers do not need to file any additional forms or call the IRS to qualify for this automatic federal tax filing and payment relief. Individual taxpayers who need additional time to file beyond the July 15 deadline, can request a filing extension by filing Form 4868 through their tax professional, tax software or using the Free File link on IRS.gov. Businesses who need additional time must file Form 7004.

The IRS urges taxpayers who are due a refund to file as soon as possible. Most tax refunds are still being issued within 21 days.

4. Families First Coronavirus Response Act

The final version of the [Families First Coronavirus Response Act](#) was signed into law on March 18 and goes into effect on April 2, 2020. The law focuses on paid sick leave and expanded FMLA provisions, including:

- **[Emergency Paid Sick Leave](#)**: Full-time employees of employers with fewer than 500 employees that are unable to work due to COVID-19 are eligible for 80 hours of emergency paid sick leave. Part-time employees are eligible to receive the equivalent of the number of hours they would work, on average, during a two-week period.
- **Expanded FMLA**: The law expands the [FMLA](#) definition of employer to all employers with fewer than 500 employees, and expands the definition of a covered employee to include all employees who have worked for covered employers for at least 30 days. This means more employees will be eligible for up to 12 weeks of unpaid leave.

New York State Assistance

1. New York Forward Loan Fund (NYFLF)

The NYFLF is an economic recovery loan program aimed at supporting New York State small businesses and nonprofits with 20 or fewer full-time equivalent (FTE) employees. Small landlords that have seen a loss of rental income are also eligible.
